With a definitive design, high-tech frame, integral brow-guard and unique, fully adjustable lens inclination system, these specs are stylish and comfortable. Amber lenses are ideal in low light.

Features

- Polycarbonate lens
- Side shield protection
- Anti-scratch
- Anti-fog
- Ratchet adjustable arms
- Length adjustable arms
- Fully adjustable lens inclination system
- Soft rubber tips on the arm
- Amber lenses provide excellent optics in low light conditions
- 99.9% UV protection

Care

Store at room temperature and transport in sealed package. Clean or disinfect in warm water, rinse, then dry with a lint free cloth. Make regular checks to ensure all parts are secure. Should the lens be marked or scratched it must be replaced immediately. Spectacles should be replaced if there is any sign of deterioration.
