## Features

- Polycarbonate lens
- Anti-scratch
- Anti-fog
- Rubber tips on the arm
- Hardened visor
- Lightweight
- In / outdoor mirror lenses
- 99.9% UV protection

## Care

Store at room temperature and transport in sealed package. Clean or disinfect in warm water, rinse, then dry with a lint free cloth. Make regular checks to ensure all parts are secure. Should the lens be marked or scratched it must be replaced immediately. Spectacles should be replaced if there is any sign of deterioration.
