An ultra modern ski style safety goggle with a sapphire blue tinted frame and high quality, easily adjustable thick headband. Made to give a close, yet comfortable fit with high optical clarity.

Features

- Polycarbonate lens
- PVC frame
- Anti-scratch
- Anti-fog
- Indirect ventilation
- High quality adjustable headband
- RX insert

Care

Store at room temperature and transport in sealed package. Clean or disinfect in warm water, rinse, then dry with a lint free cloth. Make regular checks to ensure all parts are secure. Should the lens be marked or scratched it must be replaced immediately. Spectacles should be replaced if there is any sign of deterioration.
